Solteq Plc lowers its comparable revenue guidance for the financial year 2026, estimating it to decline relative to the comparison period. The company's guidance on comparable operating result remains unchanged.

The new profit guidance for 2026 is: Comparable revenue declines, and comparable operating result improves clearly.

The previous profit guidance for 2026 was: Comparable revenue remains at the same level, and comparable operating result improves clearly.

"Following a strong third quarter, customer order intake has been weaker than expected. Consequently, the company will not achieve its targeted revenue level in the final quarter," describes **CEO Aarne Aktan**.

The Interim Report January 1 – September 30, 2026, will be published on October 29, 2026.
