Ben Slaven, Function 18 Director, said:

"We pride ourselves in being one of the UK's most comprehensive golf clothing retailers, so adding Calvin Klein Golf clothing to our range was a natural decision.

"Their clothes fit with our belief that everybody should be able to look their best on the golf course without having to break the bank.

"Calvin Klein is a fashion label, but the quality and attention to detail from a golfer's point of view is fantastic. Our customers who have already tried the clothes are really impressed, as are we."
