Tomas Puusepp appointed Chair of the Board at Permobil

Tomas Puusepp, professional board member and former CEO of Elekta, has been appointed new Chair of the Board at Permobil. Puusepp, who has served on Permobil's Board for almost 10 years, will assume the role in June, succeeding Martin Lundstedt, who has chaired the Board since 2013, when Investor acquired Permobil.

"I am very pleased to welcome Tomas Puusepp as Permobil's new Chair and look forward to continuing to work together in this new role. His experience and long-standing commitment to the company will be invaluable as Permobil continues its growth journey. I would also like to extend my sincere thanks to Martin Lundstedt for his strong leadership, for the close and highly valued collaboration over the years, and for the strong platform he has helped build", says Thomas Kidane, Co-Head at Patricia Industries.
