

Vaimo is Named One of Sweden's Best Managed Companies in 2022 by Deloitte in Cooperation with Nasdaq

Stockholm, Jun 17, 2022 - Vaimo, a full-service omnichannel partner in digital commerce and experience, was chosen as one of Sweden's Best Managed Companies in 2022 by Deloitte. This prestigious award acknowledges the outstanding success of private Swedish companies based on the ability to execute, strategic direction, corporate culture, and financial performance.

“We at Vaimo are very proud to be named one of Deloitte's Best Managed Companies. This shows our dedication and long-term commitment to creating a fantastic workplace for our employees, helping our customers succeed, and aligning with our core values,” said David Holender, CEO and Co-Founder of Vaimo. “I am proud and grateful to lead a company characterized by teamwork, a constant desire to develop, and having fun along the way.”

Established in Canada in 1993, Best Managed Companies has expanded to more than 20 countries worldwide. Deloitte launched Sweden's Best Managed Companies in 2018 in cooperation with Nasdaq. The award has become a mark of excellence for Swedish companies. The applicants are assessed by an independent judging panel that selects the 20 winners.

The 2022 Best Managed Companies are exemplary in valuing their employees and culture, executing strategy, and driving success for their customers. The winners become part of a global family of the Best Managed Companies.
