The participants' acquisition of warrants is subsidized by the Bygghmax Group through the participants receiving a cash bonus that, after individual tax, corresponds to not more than 50 percent of the price of the warrants acquired by the respective participants. This bonus will be paid out with 1/5 annually starting one year after subscription, and with the last payment five years after subscription and requires that before each payment the respective participant is still an employee of the Bygghmax Group and still holds the acquired warrants or, where applicable, the shares subscribed through exercising the warrants.
