
PRESS RELEASE

STOCKHOLM 31 MARCH 2018

TWO MAJOR ORDERS FOR RAYSTATION FROM NORTH AMERICA

RaySearch Laboratories AB (publ) has received major orders for RayStation from two radiation therapy clinics in North America. The combined order value of 6.4 MUSD (excluding service agreements), corresponding to approximately 53 MSEK, has to a large extent been delivered and is expected to generate revenue of approximately 38 MSEK in the first quarter of 2018. The remaining order value will generate revenue during the coming 15 months.

This information is information that RaySearch Laboratories AB (publ) is obliged to make public pursuant to the EU Market Abuse Regulation. The information was submitted for publication, through the agency of the contact persons set out below on March 31, 2018 at 11.30 CET.
