Son André Hval Appointed Group Director Commercial Letting at Heimstaden

Heimstaden strengthens the management team by hiring Son André Hval as Group Director Commercial Letting. He will start in his new role during the spring.

Heimstaden is a leading residential real estate company in Europe, with appr. 150,000 homes in ten countries. Heimstaden has today a portfolio of over 900,000 square meters commercial space, accounting for appr. seven percent of the total rental income in the company.

"Although residential rental housing is our primary business area, we have a large portfolio of commercial premises around Europe. We are delighted to have Son André on the team.
