

## **Nurminen Logistics Participates at Transport-Logistics 2019**

**Nurminen Logistics is participating at Transport-Logistics 2019 from 9<sup>th</sup> until 11<sup>th</sup> of May. Please come see us in Messukeskus at booth 3b18. We are happy to tell you about our fast and environment friendly rail way connection between China and Finland, which has only 18 day lead time.**

Are you concerned about slow pace of maritime freight or environmental footprint of air freight? The environment theme is strong part of Transport-Logistics 2019 -exhibition, which is opened by key note from the Ministry of Transport and Communications with topic *Towards coal free transport and logistics*. We at Nurminen Logistics Plc care for the environment without losing on effectiveness. One of our solutions is the rail way service between China and Finland.

Our weekly railway service runs between the cities of Hefei and Helsinki, reliably delivering your goods eastbound or westbound. Our service covers all aspects of the delivery, from door to door. We can also help you with forwarding, storage and packing, if needed. Containers are readily available at both ends and can be returned to multiple locations.

You can meet us at booth 3b18 to hear more about how we can help you to help you transport your goods between Finland and China efficiently.
