

Coeli's Frontier Markets Fund reaches EUR 100 M

Since March this year the Coeli Frontier Markets Fund has had a steady growth and is today larger than 100 MEUR. Inflows are almost exclusively from International Institutions.

Coeli's Frontier Markets Fund is an actively managed and concentrated strategy investing in frontier markets such as Vietnam, Georgia and Sri Lanka.

"We are very happy for the response we have received for this fund" said Lukas Lindkvist, Chief Investment Officer. "Investor interest in the asset class is strong and the Portfolio Managers, Hans-Henrik Skov and James Bannan, have experience in delivering top quartile returns in Frontier Markets."
