Clas Ohlson was founded in 1918 as a mail order business in Insjön, Sweden. Today we are a retail company with customers in three markets, approximately 5,000 co-workers and annual sales of approximately 12 billion SEK. Our share is listed on Nasdaq Stockholm. A lot has happened since the start in 1918, but one thing has remained the same over the years; that we want to help people fix their homes with practical and sustainable solutions at attractive prices. Visit about.clasohlson.com/en to read more about us and how we make home fixing available, sustainable and enjoyable for everyone.
