

Announcement Concerning the Changes of the Financial Reporting and Event Dates

The board of Misen Energy AB (publ) has decided that starting from 31 May 2023 Misen Energy AB (publ) will revert to publishing interim half-year reports in addition to the annual reports. This is due to temporary limited scope of activities in the light of Russia's aggression against Ukraine. The updated calendar concerning the next reporting and event dates could be found here: http://misenenergy.se/en/main/investors/financial_calendar.

The company was founded in 2004 and its shares have been traded on Nasdaq First North Growth Market since June 2007. In 2011, Misen Energy AB (publ) acquired Misen Enterprises AB and its Ukrainian subsidiary, LLC Karpatygas, including the rights to 50.01% of the revenue and profit from a gas production project in Ukraine. Misen Energy AB (publ) acquired the rights to produce hydrocarbons under Joint Activity Agreement No.3 ("JAA No.3") between Misen Enterprises AB and LLC Karpatygas (together 50.01%) and JSC Ukgasvydobuvannya (49.99%), a subsidiary of the NJSC Naftogaz of Ukraine. The purpose of the JAA No.3 was to significantly increase production of hydrocarbons by providing modern technologies via a large-scale investment program for the purposes of attainment of profits.

The JAA No.3 (as amended and restated) was terminated in June 2018. As a result, Misen Energy AB (publ) received compensation that reflected its share of the replacement costs of the equipment subject to the joint ownership under the JAA No.3. In March 2021, Misen Energy AB (publ) and Misen Enterprises AB initiated an investment arbitration against Ukraine (ICSID Case No. ARB/21/15) concerning Ukraine's breaches of the investor's rights resulting from the imposition of a 70% subsoil use charge.
