## **Eltel signs a three-year telecom frame agreement in Finland worth about EUR 66 million**

**Eltel's Communication business in Finland has signed a three-year continuation of a current frame agreement with a large Finnish telecom operator. The agreement covers fixed telecom services and is worth about EUR 66 million.**

The scope of the agreement includes planning, construction, installation and maintenance works at the customer's network sites. The geographical area has been extended to include new areas in Southern Finland.

The agreement starts on 1 April 2020.
