About Nel ASA | www.nelhydrogen.com

Nel ASA is a global, dedicated hydrogen company, delivering optimal solutions to produce, store and distribute hydrogen from renewable energy. We serve industries, energy and gas companies with leading hydrogen technology. Since the foundation in 1927, Nel has a proud history of development and continual improvement of hydrogen plants, and is today the world's largest supplier of electrolyzers. Our hydrogen solutions cover the entire value chain from hydrogen production technologies to manufacturing of hydrogen fueling stations, providing all fuel cell electric vehicles with the same fast fueling and long range as conventional vehicles today.
