# **SSM moves forward publication of interim report for Q3 2020**

The Board of Directors of SSM has resolved to move the publication date for the company's interim report for Q3 2020 forward from November 19 to November 12, 2020.

The reason for the change in publication date is due to the fact that Amasten Fastighets AB made a public offer to the shareholders of SSM Holding AB on October 14, 2020. In accordance with the information published in the press release from the bidding company, the offer period is expected to begin on or around November 9, 2020.

The Board of Directors' intention is to provide SSM's shareholders and the stock market as a whole with information about SSM's results and financial position on September 30, 2020 at the earliest possible stage when the offer period is expected to begin.
