

Another order from the Swedish Sea Rescue Society (SSRS)

SSRS decides to increase their fleet of RescueRunners.

It is very encouraging for us at Safe at Sea AB (Publ) to receive yet another order from one of our closest and most important partners, SSRS. SSRS who originally invented the RescueRunner System has already around 50 RescueRunners in operation but is continuously both maintaining and increasing their fleet. This time with one RescueRunner which will be located to the Sundsvall Sea Rescue station in Sweden.

"We appreciate the close cooperation we have with SSRS tremendously and are proud to support the fantastic work they do to save lives at sea. We wish the Sundsvall station all the best with their new RescueRunner" says CEO Kaj Lehtovaara

Order Value: 345 000 SEK

Delivery: November 2018
