

# One RescueRunner ordered to Finland

**Safe at Sea AB (publ) has, through its distributor in Finland, received an order for one RescueRunner system.**

During the winter 2021, Esteri Group became distributor for Safe at Sea in Finland and they are now ordering their first customer boat. The RescueRunner system will be delivered to the Fire and Rescue Services in Uleåborg and contribute to increased water rescue capabilities.

The RescueRunner system will be delivered during Q1 2023.

Order value is approximately SEK 395 000.

*Safe at Sea AB designs, manufactures and sells light, flexible och cost effecient Search-and Rescue SAR systems. These systems contribute to saving lives and optimizing SAR operations around the world and are likely to be the most effecient systems in the world when it comes to rescuing casualties out of the water. The systems involve personal equipment, operating methods, launch-and recovery solutions as well as training. The fundament of Safe at Seas product portfolio is the RescueRunner, SafeRunner, FireRunner and GuardRunner. The company is based in Göteborg, Sweden and listed on the Spotlight Stockmarket since the 10th January*

2008.
