

Safe at Sea receives order for six boat systems.

Safe at Sea sells six boat systems through its distributor in Malaysia.

Safe at Sea sells six boat systems to its distributor Semenanjung Selatan Sdn Bhd

“We are incredibly pleased with the dedicated efforts our distributor has made over a long period of time. We are confident that these six systems will be of great value to Semenanjung’s end customer,” says Lukas Brehm, Vice President and Head of Sales at Safe at Sea AB.

The boat systems will be delivered during Q4 2025.

The order value is approximately SEK 3,700,000.

Safe at Sea AB designs, manufactures and sells light, flexible och cost effecient Search-and Rescue SAR systems. These systems contribute to saving lives and optimizing SAR operations around the world and are likely to be the most effecient systems in the world when it comes to rescuing casualties out of the water. The systems involve personal equipment, operating methods, launch-and recovery solutions as well as training. The fundament of Safe at Seas product portfolio is the RescueRunner, SafeRunner, SeaRangerX and GuardRunnerX. The company is based in Göteborg, Sweden and listed on the Spotlight stockmarket since the 10th January

2008.
