

Press release

Net Gaming Europe AB (publ)

2017-04-21

Conversion into shares registered with the Swedish Companies Registration Office

In an extraordinary general meeting in November 2016, the members had resolved to allow Net Gaming to issue a convertible loan totalling SEK 140 million to finance the purchase of HLM Malta Limited, with a conversion rate of SEK 4.50 per share.

As previously communicated, Net Gaming had received notifications requesting the conversion of SEK 8,999,995.50 of the convertible loan granted to the company into 1,999,999 new shares in the Company.

The Swedish Companies Registration Office has now implemented and registered the new share issue. Following this the outstanding shares in the company now total 59,524,999.
