

Clinical Laserthermia Systems appoints Katarina Lundqvist as permanent CFO

Lund, Sweden – Clinical Laserthermia Systems AB (publ) (CLS) today announces that Katarina Lundqvist has been appointed permanent Chief Financial Officer (CFO) of CLS, effective 1 September 2026. Katarina has served as interim CFO of CLS on a consultancy basis and will now transition into a permanent position with the company. She will continue as a member of the CLS Executive Management Team.

Katarina Lundqvist has extensive experience from senior financial and management positions in international companies, including those in the Medtech and pharmaceutical industries, such as Nordic Finance Director at Ferring Pharmaceuticals and Finance Manager at Stryker/Jolife. She has also held senior financial management positions at Tunstall and Setterwalls, among others. Katarina Lundqvist holds a Master's degree in Business Administration from Lund University.

During her time as interim CFO, Katarina has gained extensive knowledge of CLS, its operations and financial structure and has been closely involved in the company's financial planning, reporting and strategic development.

"Katarina has already become an important member of the CLS management team, and I am very happy that she has accepted our offer to continue with CLS as our permanent CFO. Her strong financial competence, broad international experience and hands-on approach are highly valuable to CLS. Equally important, Katarina already knows our company and our business well, allowing us to maintain continuity as we now focus on executing our plans for continued commercial development and achieving our financial objectives," comments Dan J. Mogren, CEO of CLS.
