<sup>1</sup> The numbers for June 2022 are preliminary.

<sup>2</sup> During June, the customer base was reduced by 1000 active customers and net savings were negatively affected by SEK 48 million related to the project concerning the collection of complete customer documentation, which is described in Nordnet's interim report for the third quarter.

<sup>3</sup> Lending excluding pledged cash and cash equivalents.

<sup>4</sup> Nordnet's total trades on all exchanges and market places for all customers, and share of cross border trades.

<sup>5</sup> Average number of trades per day is calculated as total trades per market divided by the number of days each stock exchange was open.
