Press release 2026-11-03

Nordnet completes share buyback program launched in September 2026

During the period September 21, 2026 to October 28, 2026, Nordnet has bought back 755,177 of its own shares for a total of SEK 250 million SEK at an average price of SEK 331.0. The buyback program is thereby concluded.

The program which has now been concluded was launched on September 21, 2026. According to the terms of the program, the maximum aggregate acquisition amount was SEK 250 million, and it was to be concluded no later than December 23, 2026. Following the conclusion of the share buyback program, the total number of common shares in Nordnet amounts to 248,561,399, of which the company's own holding amounts to 755,177 shares. Nordnet intends to cancel all its own shares after approval by the Annual General Meeting on April 26, 2027.

Information about the repurchases under the share buyback program is available on www.nordnetab.com.
