

## Take a minute and get familiar with the new parans.com

Our new website is launched now. Please visit [www.parans.com](http://www.parans.com).

Parans new website is launched. A new look and a new easy navigation will make the visit on the website easy and inspiring. The new website will also be a good start for existing and future partners, which will eventually integrate information about Parans' products on their respective websites.

Have you already taken a vacation and are in the hammock? No problem, the website is of course also suitable for the mobile and the tablet.

Please visit us at [www.parans.com](http://www.parans.com)

### **About Parans Solar Lighting AB (publ)**

Parans Solar Lighting offers sunlight for indoor environments through an innovative system that captures and leads the rays of the sun. Parans, which developed and patented the technology, turns mainly to property owners, architects and larger employers worldwide. Parans Solar Lighting is quoted on Spotlight Stock Market and has office in Möln dal, Sweden.
