

European High Growth Opportunities Securitization Fund has requested its second conversion of notes from the second tranche

In accordance with the financial agreement announced by EcoRub through the press release of October 8th, 2018 EHGSF has requested conversion of four notes from the second tranche.

The first tranche was for 5 million SEK and divided into fifty notes. All these notes are converted into shares.

The second tranche was for 2,5 million SEK and divided into twentyfive notes. Eight notes has earlier been converted. Now four will be converted into shares. The value of these notes are 400 000 SEK. The conversion price for the first tranche is 93 % of the lowest closing VWAP of the shares during a period of fifteen trading days before the day of decision which was 2020 03 04. The price of the shares that will be converted is 0,15 SEK.

400 000 SEK corresponds to 2 666 666 shares. This will increase the shares from 145 265 278 to 147 931 944 shares and a dilution with 1,8 percent.

This information is such that EcoRub AB is required to make public in accordance with the EU's market abuse regulation (MAR) and the Swedish Securities Market Act. The information was made available public by the Company's contact person on Mars 04, 2020
