

Corporate video about the latest developments

Delta Minerals AB has published a video update, where the President of the Philippine operations informs about the latest activities and the background to increase the investment pace.

In order to respond to increased customer demand, the company has outlined a Master Plan (which describes in detail supply of reclamation sand to Singapore) together with Chahaya Shipping & Trading Co. PTE Ltd. The companies recently signed a partnership agreement. The company has produced a short video (4 minutes), where company's President of the Philippine operations, Cornelio Casido informs.

The video can be seen at <https://youtu.be/QpKe8pkpGrk> on the company's website www.deltaminerals.se and on AktieTorget.
