

Pressrelease 2017-10-18

Oboya Horticulture receives several orders in China

Oboya Horticulture has through its wholly owned subsidiary, Oboya Agricultural Technologies Co., Ltd, received several orders in China. The orders concerns consultancy, technical service and building greenhouses to several customers. The combined order value amounted to approximately CNY 11.0 million, corresponding to approximately SEK 13.4 million.

"It is delighted that there is a huge demand for the Oboyas services in China. Through our knowledge in cultivation technology, we provide our customers with special knowledge and sale of our products. The cultivation industry is today a priority area in China, and we expect significant growth in the next few years. "Says Mikael Palm Andersson, CEO of Oboya Horticulture Industries AB.
