EQL Pharma AB (publ) in short

EQL Pharma AB specializes in developing and selling generics, i.e. medicines that are medically equivalent to originator medicines. The company currently has 19 niche generics (i.e. generics with little or no competition apart from the originator drug) approved in the Nordic markets. In addition to these, there exist a significant pipeline of additional niche generics for launch in 2021 and beyond. The business is currently entirely focused on prescription drugs. EQL Pharma AB conducts its operations in Lund, employs 10 people and is listed on the Spotlight Stock Market. EQL Pharma AB conducts extensive development work in collaboration with leading contract manufacturers and major pharmaceutical companies in the EU, India and China, among others.
