### **Beowulf Mining plc**

("Beowulf" eller "Bolaget")

#### **Intervju med VD**

Beowulf (AIM: BEM; Spotlight: BEO), the mineral exploration and development company, publicerar en intervju med Kurt Budge, VD för Beowulf Mining. I intervjun med BRR Media diskuterar Kurt de positiva ekonomiska resultaten från idéstudien (på engelska s.k. Scoping study) för Kallak Norra, som stärker bolagets planer på att börja producera högkvalitativt järnkonzentrat inom ramen för Kallak Iron Ore Project ("KIOP") år 2026. KIOP utvecklas av bolagets 100 procent ägda dotterbolag Jokkmokk Iron (webbplats <https://www.jokkmokkiron.se/>).

Intervjun kan ses via länken nedan (på engelska):

#### **Cautionary Statement**

Statements and assumptions made in this document with respect to the Company's current plans, estimates, strategies and beliefs, and other statements that are not historical facts, are forward-looking statements about the future performance of Beowulf. Forward-looking statements include, but are not limited to, those using words such as "may", "might", "seeks", "expects", "anticipates", "estimates", "believes", "projects", "plans", "strategy", "forecast" and similar expressions. These statements reflect management's expectations and assumptions in light of currently available

information. They are subject to a number of risks and uncertainties, including, but not limited to , (i) changes in the economic, regulatory and political environments in the countries where Beowulf operates; (ii) changes relating to the geological information available in respect of the various projects undertaken; (iii) Beowulf's continued ability to secure enough financing to carry on its operations as a going concern; (iv) the success of its potential joint ventures and alliances, if any; (v) metal prices, particularly as regards iron ore. In the light of the many risks and uncertainties surrounding any mineral project at an early stage of its development, the actual results could differ materially from those presented and forecast in this document. Beowulf assumes no unconditional obligation to immediately update any such statements and/or forecast.
