CST Global receives framework order of 21.5 MSEK from a US, Fortune 100 company

Sivers IMA Holdings AB's (Nasdaq First North: SIVE) subsidiary, CST Global, today announced that it has received a 21.5 MSEK framework order for the delivery of semiconductor devices to a US Fortune 100 company. The customer has already successfully evaluated prototype devices and this order is for pre-commercial devices, to ensure conformance to the final specification, before placing further orders.

"We are very pleased that CST Global received this framework order for pre-commercial, semiconductor devices. We are confident that we will meet the performance specification required by the customer and expect this order to be the first of many, similar sized orders going forward ", says Anders Storm, CEO of Sivers IMA.

A total of 12.6 MSEK of the framework order will be delivered and billed during the 4th quarter of 2018.
