Sivers Semiconductors has been approved for listing on Nasdaq Stockholm and publishes prospectus

Nasdaq Stockholm's listing committee has today approved Sivers Semiconductors AB (publ) ("Sivers Semiconductors")'s application of admission of Sivers Semiconductors shares to trading on Nasdaq Stockholm main market, subject to the fulfilment of certain customary conditions. In light of the list change, Sivers Semiconductors has prepared and today published a prospectus, which has been approved and registered by Swedish Financial Supervisory Authority (the "SFSA"). The first day of trading on Nasdaq Stockholm main market is scheduled for Thursday June 10, 2021 and the last day of trading on Nasdaq First North Growth Market is scheduled for Wednesday June 9, 2021.

About the list change

The first day of trading on Nasdaq Stockholm main market is scheduled for Thursday June 10, 2021. The shares will be traded in the Mid Cap segment under the same ticker (SIVE) and ISIN code (SE0003917798). There will not be any offer or issue of new shares in connection with the list change. Shareholders of Sivers Semiconductors will not need to take any action in connection with the list change.

Sivers Semiconductor's shares have been listed on the Nasdaq First North Growth Market since November 30, 2017. Prior to that, the shares were listed on Spotlight Stock Market. The last day of trading in Sivers Semiconductors shares on Nasdaq First North Growth Market is scheduled for Wednesday, June 9, 2021.

"The listing on Nasdaq Stockholm main market is a quality stamp and an important milestone for us. It is another important piece of the puzzle in our continued expansion and development of the company as it contributes to an increased awareness of our business. The listing strengthens our profile and our brand both with our customers and with investors, which means that we have increased access to the Swedish and international capital markets. In addition, our ability to attract and retain qualified employees increases. All in all, the listing is an important part of creating increased long-term shareholder value", said Anders Storm, Group CEO of Sivers Semiconductors.
