## Sivers Semiconductors invites to Capital Markets Day 2022

**Sivers Semiconductors AB invites institutional investors, financial analysts and the media to a Capital Markets Day in Stockholm on Thursday, September 26, 2022.**

The aim of the day is to increase the understanding of Sivers Semiconductors' operations and markets after the acquisition of the US company MixComm, which has made Sivers Wireless a strong global contender in 5G, SATCOM and radar. The Capital Markets Day will go into the company's unique offer within Sivers Photonics. Presentations will be held by group management as well as by customers and partners.

Date: 26 September 2022

Time: 2:00 p.m. to 5:00 p.m

Place: Helio GT30, Grev Turegatan 30, Stockholm

There will be some 40 physical slots available. For physical slots, please register at:  
<https://financialhearings.com/event/44418>

Follow the event digitally at: <https://tv.streamfabriken.com/sivers-semiconductors-cmd-2022>

Welcome!

*Sivers Semiconductors AB is a leading and internationally recognized technology company that supplies ICs and integrated modules through its two business areas Wireless and Photonics. Wireless develops mmWave products for advanced 5G systems for data and telecommunications networks and satellite communication. The portfolio includes RF transceivers, beamforming front end ICs, integrated mmwave antennas, repeaters, and software algorithms for optimum mmWave RF performance. Photonics develops and manufactures semiconductor based optical products for optical fiber networks, sensors and optical fiber communications (Li-Fi). The company is listed on Nasdaq Stockholm under SIVE. The head office is located in Kista, Sweden. For more information: <http://www.sivers-semiconductors.com>*
