

# **IVISYS signs agreement with agent in the UK**

Press release  
IVISYS AB  
556998-4981  
2020-07-01

**IVISYS AB ("IVISYS" or "the Company") announces today that the Company has signed an exclusive agent agreement to strengthen processing of the market in the UK and Ireland. As a part of IVISYS growth strategy, the Company will now be represented with a stronger presence in the UK and Ireland, through an agent who, in addition to established networks has physical presence and access to a large and growing domestic market.**

"We have seen a growing interest in our services from the UK and Ireland where the market is large and mature for our type of product. It is now very exciting that we have a solid solution in place for a market that we ourselves have not been able to process at the same level before.", says IVISYS CEO, Stefan Bohman.

## **ABOUT IVISYS**

IVISYS is combining the knowledge of two engineering companies, one with a superior patented image processing software and the other with a unique superior command of Image acquisition.

The unique product offering of IVISYS with the IVISYS Pro software suite, the use of artificial intelligence (AI) and outstanding quality in light and sensor knowledge is giving the Industry automated vision inspection solutions that are reliable, fast and flexible. With a portfolio of standard solutions that can be integrated in almost all industrial productions the market accessible to IVISYS is global, large in volume, and growing at the rate of the industry automation, currently strongly driven by the industry 4.0 approach. The solutions offered are

available to most industrial manufacturers due to the short ROI, when comparing to existing manual control widely used in the industry today. IVISYS has been elected as “TOP 10 Machine Vision solution provider in Europe 2019” by Technology Insights Manufacturing.
