Collector is a leading digital niche bank that develops financial solutions for private and corporate customers. For the private market, we offer savings and loans, invoicing and payment by instalments, credit card services and financial apps. The corporate segment encompasses payment solutions for e-commerce and retail, factoring and corporate lending, real estate credits and assignment debt collection. With an annual organic revenue growth of 30 % since 2005, we have the persistence, courage and experience required to believe in ideas and help get them off the ground. The Group consists of the parent company Collector AB (publ), the wholly owned subsidiary Collector Bank AB, where the main operations are conducted, Colligent Inkasso AB and Colligent Inkasso AS, offering assignment operations and debt collection, and Collector Ventures, which invests in FinTech. The company has offices in Gothenburg (head office), Stockholm, Helsinki and Oslo. Collector is listed on Nasdaq Stockholm.
