About Tobii Dynavox

Tobii Dynavox is the global leader in assistive technology for communication. Our custom designed solutions enable people with disabilities such as cerebral palsy, ALS and spinal cord injury to communicate with a voice of their own, develop literacy skills and live more independently. To date, hundreds of thousands of people worldwide have benefited from our integrated solutions, which include hardware, software, clinically developed language systems, special education tools, training, and dedicated support. We offer an extensive funding support system to reach as many people as possible. Headquartered in Sweden, Tobii Dynavox employs around 500 people with offices in the US, the UK, Norway and China, and reselling partners in 60+ countries.
