About Dynavox Group

Dynavox Group AB (publ) is the parent company of Tobii Dynavox, the global leader in assistive communication. Headquartered in Stockholm, and listed on Nasdaq Stockholm (DYVOX), Dynavox Group, together with its brands has over 950 employees and serves customers in 65+ countries. Tobii Dynavox's custom designed solutions enable people with disabilities such as cerebral palsy, ALS, autism and spinal cord injury to communicate with a voice of their own, develop literacy skills and live more independently. To date, hundreds of thousands of people worldwide have benefited from our integrated solutions, which include hardware, software, clinically developed language systems, mounting solutions, training, and dedicated support. We offer extensive funding expertise to facilitate funding for as many people as possible. As voice and motor impairments are common among our users, our solutions are accessed via alternative methods, such as eye gaze or touch screen. Using AI-based speech synthesis, we offer users a personalized voice identity in over 30 languages, for children and adults. For more information, please visit the Dynavox Group website:
