**Evolution Gaming, leading provider of Live Casino solutions, has been named Online Casino Supplier of the Year at the Global Gaming Awards London, for the second consecutive year.**

Evolution beat nine other shortlisted companies to win the prestigious international award, which recognises the strongest, most innovative online casino suppliers over the last 12 months. The Global Gaming 2020 Awards Ceremony was held at The Hippodrome Casino in London.

After collecting the award, Evolution's Group CEO Martin Carlesund said: "We are delighted to have won this award. We are incredibly proud of the games we released over the last twelve months and it has been very gratifying to see the success of these innovative new games with our operators and their end users alike."

Carlesund added: "It is an honour for us to have been crowned Online Casino Supplier of the Year for the second year in a row. To win this award the day before ICE London opens makes it even more special. We have a fantastic line up of new games that we are showcasing at the exhibition, including a wide variety of unique new titles, from new exciting game shows to new takes on casino classics."

The Global Gaming Awards London recognise and celebrate achievements made across the industry in the past 12 months. The awards are powered by Gambling Insider and are officially adjudicated by KPMG Isle of Man.
