About Arjo

Creating the best conditions for mobility is at the very core of a high-quality healthcare offering. Arjo's products and solutions for patient handling, hygiene, disinfection, diagnostics, prevention of pressure injuries and deep vein thrombosis, and our medical beds, are designed to promote mobility, safety and dignity in all care situations.

With 60 years of experience of improving the everyday lives of patients, residents and healthcare providers, sales of SEK 8.9 billion in 2019 and a global workforce of slightly more than 6,000, Arjo is constantly reinforcing its commitment to create healthier outcomes for people with reduced mobility.
