

Pharmacolog enters into distribution agreement with Medim Sp. z o. o.

Pharmacolog AB has entered into an agreement with the company Medim Sp. z o. o. regarding the sale, distribution and marketing of DrugLog® in Poland.

Medim was founded in 1990 and has long experience in selling products and solutions to the healthcare market in Poland. The agreement means that Pharmacolog will have a partner with a presence and long experience in the sale and service of medical devices in the Polish market.

Kent Öbrink, Sales Manager Pharmacolog comments: "The interest in our solutions is growing in Europe and as part of our strategy, to expand with more distributors, it is with pleasure I can confirm that we have signed a contract with Medim, one of the largest distributor companies in Poland. Medim has a well-established customer base in most of the Polish hospitals, so I have good hopes for business already this year and look forward to a good cooperation in the Polish market."

Mateusz Nejman, Director of New Technologies Department, Medim Sp. z o. o. comments: "We are very happy to have a chance to introduce DrugLog to the Polish Market. Hospitals which have been our partners for almost 30 years pay now significantly more attention to the quality of the services provided and patient safety. I believe that together with the great support from Pharmacolog Team we will be soon announcing the very first installation in Poland."
