

Pediatric Hospital in Poland orders DrugLog®

Pharmacolog have through its distributor, Medim Co. Ltd taken an order for one DrugLog unit to the Greater Poland Children's Health Centre in Poznań.

Greater Poland Children's Health Centre in Wrzostka, Poznań are in the process of building a new hospital pharmacy that will provide medication for the complete pediatric hospital. In this process the hospital also has an ambition to establish and even higher level of patient safety. As a result, the clinic has decided to use DrugLog® for quality assurance of prepared drugs for the pediatric hospital. The order value is approximately 260 000 SEK.

Mats Högberg, CEO of Pharmacolog comments: "We are very pleased to receive our first order for a system to Poland. Poland is in a rapid process to further develop their health care system and improved patient safety and quality control is a natural component in that process. Our distributor Medim have done a great job finalizing this contract despite the challenging situation the ongoing pandemic entails."
