

# Pharmacolog receives two DrugLog™ orders for installation in renowned hospitals in Europe.

**Pharmacolog has received orders for DrugLog™ systems for quality control of compounded medications in 2 additional hospitals in The Netherlands and Spain.**

One DrugLog™ order has been placed by Pharmacolog's distributor Added Pharma on behalf of The Netherlands Cancer Institute, one of the world's most comprehensive cancer centers, in Amsterdam. Additionally, B. Braun Medical Spain ordered a complete DrugLog™ system for installation at Hospital de A Coruña, one of the main hospitals in Galicia. The DrugLog™ systems will be used for quality control of prepared injectable drugs as a critical factor in following the good manufacturing process for prepared injectable drugs.

Lars Gusch, CEO of Pharmacolog comments: "We are very pleased to see the continued interest for Pharmacolog's solutions as one key component in the documentation of the drug management process and an enabler for full traceability within the entire treatment process."

## **About Pharmacolog**

**Pharmacolog** provides solutions and products that enhance work efficiency and safety when preparing injectable medication. Our goal is to help prevent medication errors and ensure maximum medication efficacy when treating patients with powerful yet potentially harmful injectable drugs. Pharmacolog's products help staff at pharmacies and hospital wards minimize the risk of errors in the compounding process. Furthermore, by verifying that drugs and narcotics used in surgery have not been tampered with, our solutions also make a vital contribution to preventing drug diversion.
