About Pharmacolog

Pharmacolog provides solutions and products that enhance work efficiency and safety when preparing injectable medication. Our goal is to help prevent medication errors and ensure maximum medication efficacy when treating patients with powerful yet potentially harmful injectable drugs. Pharmacolog’s products help staff at pharmacies and hospital wards minimize the risk of errors in the compounding process. Furthermore, by verifying that drugs and narcotics used in surgery have not been tampered with, our solutions also make a vital contribution to preventing drug diversion.

The following trademarks are owned and protected by Pharmacolog i Uppsala AB: Pharmacolog™-logo, [WasteLog™](#) and [Pharmacolog Dashboard™](#).
