

## PRESS RELEASE Stockholm November 30<sup>th</sup> 2018

### ADDvise receives order worth 2,7 MSEK- Regulatory information

ADDvise Group AB's (publ) subsidiary, Surgical Tables Inc, has received an order worth approximately 2,7 MSEK. The order was received from one of the world's three largest medtech companies. The purpose of the order is to prepare and further develop the production of a series of surgical tables for spinal fusion procedures and is an extension of the previous collaboration between the parties that was announced by ADDvise through a press release April 30<sup>th</sup> 2018.

Spinal fusion is a surgical technique that joins two or more vertebrae to eliminate movement and back pain in the patient.

Delivery of the surgical tables will take place during 2019.
