Item 1: Election of chairman of the meeting

The chairman of the board Patrik Wahlén, or, in his absence, the person designated by the board of directors, is proposed as chairman of the general meeting.

Item 2: Preparation and approval of the voting list

The voting list that is proposed to be approved under item 2 on the agenda is the voting list that Computershare AB has prepared, on behalf of the Company, based on the shareholders register and received postal votes and which has been verified and approved by the persons to verify the minutes.

Item 3: Election of one or two persons to verify the minutes

Mattias Björk or, in his absence, the person designated by the board of directors, are, in addition to the chairman, proposed as person to verify the minutes. Also, such assignment includes verifying the voting list and that the received postal votes are correctly reflected in the minutes.

Item 6): Resolution on (a) dividend to preference shares and (b) dividend to ordinary shares

Background

The board of directors resolved before the annual general meeting on 25 June 2020 to withdraw the intended dividend proposal which was communicated in the company's year-end report, published on 20 February 2020, due to current market instability caused by the corona virus. The board of director's ambition was, if the circumstances so permitted, to summon the shareholders to an extraordinary general meeting later during the year to resolve on dividend to the shareholders. In recent months the

market uncertainty has decreased and though there is still reason to be cautious, the board has, after an overall assessment and given the company's continued strong position regarding both equity and liquidity, assessed that there are preconditions for a dividend distribution to the preference shares in accordance with the articles of association as well as extra dividend distribution to ordinary shares. In November 2020, Volati's divestment of Besikta Bilprovning was completed, which had a positive liquidity effect for Volati, including repayment of internal loans, of approximately SEK 1,040 million. As of 31 December 2019, the company's equity amounted to approximately SEK 3,547 million, of which approximately SEK 3,537 million constituted unrestricted equity. The company's unrestricted equity still amounts to approximately SEK 3,537 million.

The board's proposal in item (b) below is conditional upon the general meeting's resolution on the board's proposal on item (a) below.

6.a Dividend to preference shares

The board proposes that the general meeting resolves on dividend to the preference shares of a total amount of SEK 30.80 per preference share. The board proposes Friday 5 February 2021 as record date for receiving dividend. If the general meeting resolves in accordance with the board's proposal, the dividend is expected to be paid to preference shareholders on Wednesday 10 February 2021 through Euroclear Sweden AB. The dividend to preference shares corresponds to a total amount of SEK 49,396,239.20.

The dividend consists of (a) the preference share dividend of SEK 10 per preference share with a record date of 5 February 2021, as described in the articles of association, and (b) the Amount Outstanding (as defined in the articles of association) of SEK 20.80 per preference share calculated up to and including the proposed payment date (10 February 2021).

The Amount Outstanding per preference share consists of (a) SEK 10.53, corresponding to the dividend amount of SEK 10 with record date 5 August 2020 (and payment date 10 August 2020) adjusted upwards in accordance with the articles of association, and (b) SEK 10.27, corresponding to the dividend amount of SEK 10 with a record date of 5 November 2020 (and a payment date of 10 November 2020) adjusted upwards in accordance with the articles of association.

6.b Dividend to ordinary shares

Conditional upon the general meeting resolution on the board's proposal on item (a) above, the board proposes that the general meeting resolves on a dividend to ordinary shares of SEK 10 per ordinary share, which corresponds to a total amount of SEK 794,065,710. The board proposes Friday 12 February 2021, as the record date for receiving the dividend to ordinary shares. If the general meeting resolves in accordance with the board's proposal, the dividend is expected to be paid to shareholders of ordinary shares on Wednesday 17 February 2021 through Euroclear Sweden AB.
