1. Background

The Group is one of Sweden's largest vocational educational education companies and the largest provider of labour market training (Sw. *arbetsmarknadsutbildning*). The Group provides education in over 60 locations across Sweden and has a growing presence in Finland. The Group's educational services are focused on four segments: (i) labour market training, (ii) vocational university, (iii) vocational secondary education and (iv) corporate and private clients. Labour market training is the backbone of the Group accounting for approximately 60 per cent. of the Group's sales, but sales to other segments are increasing.

The recent turbulence due to the outbreak of the new corona virus and the uncertainty for the future strikes hard against many companies and has already had certain effects on the Group's operations as laid out in more detail in the annual report for 2019 released on 11 May 2020. The Group is however anticipating that the economic impact from the pandemic will lead to additional volumes as a result of increased focus on labour market activities from the Group's largest customer, the Swedish Public Employment Service (Sw. *Arbetsförmedlingen*), whose funding and operations are determined by political decisions. Historically, the Group has been able to see a strong correlation between times of declining or low growth and increased political investments in the labour market.

However, as for now, extraordinary circumstances are at hand, having a negative impact on the Group's operations, for example:

- Restrictions on how teaching can be conducted as well as restrictions regarding gatherings, trips and similar.
- The Swedish Public Employment Service has carried out a major reorganization with many redundancies as a result, which has been partially drawn back. The Group deems this will have a negative impact on the Swedish Public Employment Service's ability to conduct its operations in accordance with applicable appropriation directions (Sw. *regleringsbrev*).

The Group already experiences that this negatively affects the Group's ability to run its business to its full potential and also that this has a negative impact on the inflow of new participants in the Group's educations. Moreover, it cannot be ruled out that further restrictions will be imposed that will further hamper the ability of the Group companies to charge for the services provided.

While the current plans and actions are deemed sufficient to maintain operations largely in line with expectations, it cannot be ruled out that - in the short term - a very challenging financial situation for the Group could arise. In particular if the effects from the Covid 19 outbreak is long lasting or if the restrictions imposed as a result thereof become more severe. Management together with the board of directors and supported by the owners, work intensively to adapt the business to the current situation and are evaluating a number of measures that could help the Group in the short term, including related to the efforts announced by the Government to help small and medium-sized companies through this crisis. The initiation of this Written Procedure is part of this work and the Issuer deems the approval of the proposals set out herein necessary for the Issuer to be able to plan and build a preparedness for a situation that in the short term can become very challenging for the Group.

2. Proposed amendments and waiver to the Terms and Conditions

2.1 Proposed amendments to the Terms and Conditions

The proposed amendments to the Terms and Conditions are described in summary in the following and are also set out in full in Schedule 3 (*Proposed Amended and Restated Terms and Conditions*), where blue and underlined text indicates additions whereas red and crossed-out text indicates removals.

Incurrence of additional Financial Indebtedness

The Group has for a long period of time had a tight liquidity situation and has struggled to improve its liquidity. The Covid 19 outbreak has now put immediate pressure on the Group's already constrained liquidity position and the Group is therefore in need of safeguarding future liquidity sources. However, the Terms and Conditions poses strict restrictions on the Group's possibility to incur additional Financial Indebtedness.

As set out in the Terms and Conditions, the Group Companies (other than the Issuer) may incur additional Financial Indebtedness under *inter alia* the Revolving Facilities. The Revolving Facilities is defined as:

“one or more overdraft credit facilities or revolving credit facilities and ancillary facilities thereunder provided to a Group Company in the aggregate amount of SEK 30,000,000.”

To cater for more flexibility in this extraordinary situation, the Issuer proposes that the definition Revolving Facilities shall be amended both (i) to allow a maximum aggregate amount under the Revolving Facilities of SEK 45,000,000 (compared to today's SEK 30,000,000) and (ii) to clarify that Revolving Facilities may be incurred from any entity, and not only from a bank or other financial institution.

In this context, it could also be noted that the Group's turnover has increased from approximately SEK 380,000,000 to SEK 510,000,000 since the Terms and Conditions were first entered into, which in itself could justify the need to review the restrictions on the incurrence of additional Financial Indebtedness set out in the Terms and Conditions.

Inclusion of a possibility to deduct voluntary capital injections from the obligation to procure Further Capital Injections

As set out in the Terms and Conditions, the Issuer has an obligation to procure that Further Capital Injections (*i.e.* one or several capital injections by way of either unrestricted equity in Cash or a Capital Injection Shareholder Loan) in an aggregate amount of up to SEK 30,000,000 are made to the Issuer in case of a Failed Clean Down Period, to ensure that the amount outstanding under the Revolving Facilities, less cash and cash equivalents of the Group, amounts to zero (0) or less during a period of five (5) Business Days following such Further Capital Injection(s).

To support the Issuer through the effects of the new corona virus outbreak, certain of the Investors and Investor Affiliates have expressed a willingness to make capital injections to the Issuer at the Issuer's request, although they are not obliged to do so under the Terms and Conditions or under any other agreement. After agreement between the Issuer and such Investor or Investor Affiliate, a capital injection would thus be made regardless of whether the Clean Down has been fulfilled or not. However, a condition for the Investors' and Investor Affiliates' willingness to make such capital injections is that such capital injections are deducted from the Issuer's obligation to procure that Further Capital Injections are made.

The Issuer therefore proposes that the Terms and Conditions are amended so that any voluntary capital injection by way of either unrestricted equity in Cash or a Capital Injection Shareholder Loan made to the Issuer shall reduce the Issuer's obligation to procure that Further Capital Injections are made on a SEK for SEK basis. For the avoidance of doubt, this means that once Further Capital Injections and/or voluntary capital injections in an aggregate amount of SEK 30,000,000 or more have been made, the Issuer's obligation to procure that Further Capital Injections are made in accordance with Clause 12.11.2 of the Terms and Conditions shall lapse.

Consequential amendments

As a consequence of the amendments to the Terms and Conditions proposed by the Issuer, certain consequential amendments and updates to the Terms and Conditions will be required.

2.2 Proposed waiver to the Terms and Conditions

The Issuer proposes that, only in respect of the publishing of the Group's audited consolidated financial statements for the financial year ended 31 December 2019 (which were published at the date of this Notice), the Holders waive the Issuer's obligation under Clause 11.1(a) to make available such financial statements within 120 days after the end of the Financial Year, including any breach of any provision of the Terms and Conditions resulting from the Issuer implementing such waiver.

3. Consent

The Holders are asked to confirm that the Holders agree to the proposed amendments and waiver set out in Section 2 (the "**Request**").

The Issuer reserves the right to withdraw any or all of the proposals set out in Section 2 at any time before the expiry of the voting period, in which case this will be communicated by way of a press release. Such withdrawal shall only affect the withdrawn proposal in question and shall not affect any other part of the Request or of this Written Procedure.

4. Effective date

The Request shall be deemed approved immediately upon expiry of the voting period and receipt of the required majority as set forth in Section 5.6 or if earlier, when a requisite majority of consents of the Adjusted Nominal Amount have been received by the Agent.

The Issuer and the Agent shall, in order to implement and effectuate the Request, enter into amended and restated Terms and Conditions. In addition, the Issuer and the Agent may agree to take any other action deemed required in order to implement the Request.

5. Written Procedure

The following instructions need to be adhered to under the Written Procedure.

5.1 Final date to participate in the Written Procedure

The Agent must have received the votes by mail, courier or email to the address indicated below no later than 17.00 CET, on 5 June 2020. Votes received thereafter may be disregarded.

5.2 Decision procedure

The Agent will determine if received replies are eligible to participate under the Written Procedure as valid votes.

When a requisite majority of consents of the total Adjusted Nominal Amount have been received by the Agent, the Request shall be deemed to be adopted, even if the time period for replies in the Written Procedure has not yet expired.

Information about the decision taken under the Written Procedure will: i) be sent by notice to the Holders and ii) be published on the websites of a) the Issuer and b) the Agent.

A matter decided under the Written Procedure will be binding for all Holders, irrespective of them responding in the Written Procedure.

5.3 Voting rights and authorisation

Anyone who wishes to participate in the Written Procedure must on the Record Date (15 May 2020) in the debt register:

- (a) be registered as a direct registered owner of a Securities Account; or
- (b) be registered as authorised nominee in a Securities Account, with respect to one or several Notes.

5.4 Notes registered with a nominee

If you are not registered as a direct registered owner, but your Notes are held through a registered authorised nominee or another intermediary, you may have two different options to influence the voting for the Notes.

1. You can ask the authorised nominee or other intermediary that holds the Notes on your behalf to vote in its own name as instructed by you.
2. You can obtain a Power of Attorney (Schedule 2) from the authorised nominee or other intermediary and send in your own Voting Form based on the authorisation. If you hold your Notes through several intermediaries, you need to obtain authorisation directly from the intermediary that is registered in the debt register as holder of the Securities Account, or from each intermediary in the chain of holders, starting with the intermediary that is registered in the debt register as a Holder of the Securities Account as authorised nominee or direct registered owner.

Whether one or both of these options are available to you depends on the agreement between you and the authorised nominee or other intermediary that holds the Notes on your behalf (and the agreement between the intermediaries, if there are more than one).

The Agent recommends that you contact the securities firm that holds the Notes on your behalf for assistance, if you wish to participate in the Written Procedure and do not know how your Notes are registered or need authorisation or other assistance to participate. Notes owned by the Issuer, another Group Company or an Affiliate do not entitle to any voting rights.

5.5 Quorum

To approve the Request, Holders representing at least fifty (50.00) per cent of the Adjusted Nominal Amount must reply to the Request under the Written Procedure in order to form a quorum.

If a quorum does not exist, the Agent shall initiate a second Written Procedure, provided that the relevant proposal has not been withdrawn by the Issuer. No quorum requirement will apply to such second Written Procedure.

5.6 Majority

Two thirds (2/3) of the Adjusted Nominal Amount for which Holders reply under the Written Procedure must consent to the Request in order for it to pass.

5.7 Address for sending replies

16 Noteholders' Meeting

- 16.1 The Agent shall convene a Noteholders' Meeting by sending a notice thereof to each Noteholder no later than five (5) Business Days after receipt of a request from the Issuer or the Noteholder(s) (or such later date as may be necessary for technical or administrative reasons).

Such regulations may include a possibility for Noteholders to vote without attending the meeting in person.

17 Written Procedure

- 17.1 The Agent shall instigate a Written Procedure no later than five (5) Business Days after receipt of a request from the Issuer or the Noteholder(s) (or such later date as may be necessary for technical or administrative reasons) by sending a communication to each such person who is registered as a Noteholder on the Business Day prior to the date on which the communication is sent.

18 Amendments and Waivers

- 18.1 The Issuer and the Agent (acting on behalf of the Noteholders) may agree to amend the Finance Documents or waive any provision in a Finance Document, provided that:
- (a) such amendment or waiver is not detrimental to the interest of the Noteholders, or is made solely for the purpose of rectifying obvious errors and mistakes;
 - (b) such amendment or waiver is required by applicable law, a court ruling or a decision by a relevant authority; or
 - (c) such amendment or waiver has been duly approved by the Noteholders in accordance with Clause 15 (*Decisions by Noteholders*).
- 18.2 The consent of the Noteholders is not necessary to approve the particular form of any amendment to the Finance Documents. It is sufficient if such consent approves the substance of the amendment.
- 18.3 The Agent shall promptly notify the Noteholders of any amendments or waivers made in accordance with Clause 18.1, setting out the date from which the amendment or waiver will be effective, and ensure that any amendments to the Finance Documents are published in the manner stipulated in Clause 11.3 (*Publication of Finance Documents*). The Issuer shall ensure that any amendments to the Finance Documents are duly registered with the CSD and each other relevant organisation or authority.
- 18.4 An amendment to the Finance Documents shall take effect on the date determined by the Noteholders Meeting, in the Written Procedure or by the Agent, as the case may be.

19 Appointment and Replacement of the Agent

19.1 Appointment of Agent

- 19.1.1 By subscribing for Notes, each initial Noteholder appoints the Agent to act as its agent in all matters relating to the Notes and the Finance Documents, and authorises the Agent to act on its behalf (without first having to obtain its consent, unless such consent is specifically required by these Terms and Conditions) in any legal or arbitration proceedings relating to the Notes held by such Noteholder including any legal or arbitration proceeding relating to the perfection, preservation, protection or enforcement of the Transaction Security and/or the Capital Injection Guarantee. By acquiring Notes, each subsequent Noteholder confirms such appointment and authorisation for the Agent to act on its behalf.
- 19.1.2 Each Noteholder shall immediately upon request provide the Agent with any such documents, including a written power of attorney (in form and substance satisfactory to the Agent), that the Agent deems necessary for the purpose of exercising its rights and/or carrying out its duties under the Finance Documents. The Agent is under no obligation to represent a Noteholder which does not comply with such request.
- 19.1.3 The Issuer shall promptly upon request provide the Agent with any documents and other assistance (in form and substance satisfactory to the Agent), that the Agent deems necessary for the purpose of exercising its rights and/or carrying out its duties under the Finance Documents.

- 19.1.4 The Agent is entitled to fees for its work and to be indemnified for costs, losses and liabilities on the terms set out in the Finance Documents and the Agency Agreement and the Agent's obligations as Agent under the Finance Documents are conditioned upon the due payment of such fees and indemnifications.
- 19.1.5 The Agent may act as agent or trustee for several issues of securities issued by or relating to the Issuer and other Group Companies notwithstanding potential conflicts of interest.

19.2 Duties of the Agent

- 19.2.1 The Agent shall represent the Noteholders in accordance with the Finance Documents, including, *inter alia*, holding the Transaction Security pursuant to the Security Documents on behalf of the Noteholders and, where relevant, enforcing the Transaction Security and/or the Capital Injection Guarantee on behalf of the Noteholders. Except as specified in Clause 4 (*Conditions for disbursement*), the Agent is not responsible for the execution or enforceability of the Finance Documents or the perfection of the Transaction Security.
- 19.2.2 When acting in accordance with the Finance Documents, the Agent is always acting with binding effect on behalf of the Noteholders. The Agent shall carry out its duties under the Finance Documents in a reasonable, proficient and professional manner, with reasonable care and skill.
- 19.2.3 The Agent is entitled to delegate its duties to other professional parties, but the Agent shall remain liable for the actions of such parties under the Finance Documents.
- 19.2.4 The Agent shall treat all Noteholders equally and, when acting pursuant to the Finance Documents, act with regard only to the interests of the Noteholders and shall not be required to have regard to the interests or to act upon or comply with any direction or request of any other person, other than as explicitly stated in the Finance Documents.
- 19.2.5 The Agent is entitled to engage external experts when carrying out its duties under the Finance Documents. The Issuer shall on demand by the Agent pay all costs for external experts engaged after the occurrence of an Event of Default, or for the purpose of investigating or considering (i) an event which the Agent reasonably believes is or may lead to an Event of Default or (ii) a matter relating to the Issuer or the Transaction Security and/or the Capital Injection Guarantee which the Agent reasonably believes may be detrimental to the interests of the Noteholders under the Finance Documents. Any compensation for damages or other recoveries received by the Agent from external experts engaged by it for the purpose of carrying out its duties under the Finance Documents shall be distributed in accordance with Clause 14 (*Distribution of proceeds*).
- 19.2.6 Notwithstanding any other provision of the Finance Documents to the contrary, the Agent is not obliged to do or omit to do anything if it would or might in its reasonable opinion constitute a breach of any law or regulation.
- 19.2.7 If in the Agent's reasonable opinion the cost, loss or liability which it may incur (including reasonable fees to the Agent) in complying with instructions of the Noteholders, or taking any action at its own initiative, will not be covered by the Issuer,

the Agent may refrain from acting in accordance with such instructions, or taking such action, until it has received such funding or indemnities (or adequate Security has been provided therefore) as it may reasonably require.

- 19.2.8 The Agent shall give a notice to the Noteholders (i) before it ceases to perform its obligations under the Finance Documents by reason of the non-payment by the Issuer of any fee or indemnity due to the Agent under the Finance Documents or the Agency Agreement or (ii) if it refrains from acting for any reason described in Clause 19.2.7.

19.3 Limited liability for the Agent

- 19.3.1 The Agent will not be liable to the Noteholders for damage or loss caused by any action taken or omitted by it under or in connection with any Finance Document, unless directly caused by its negligence or wilful misconduct. The Agent shall never be responsible for indirect loss.

- 19.3.2 The Agent shall not be considered to have acted negligently if it has acted in accordance with advice from or opinions of reputable external experts engaged by the Agent or if the Agent has acted with reasonable care in a situation when the Agent considers that it is detrimental to the interests of the Noteholders to delay the action in order to first obtain instructions from the Noteholders.

- 19.3.3 The Agent shall not be liable for any delay (or any related consequences) in crediting an account with an amount required pursuant to the Finance Documents to be paid by the Agent to the Noteholders, provided that the Agent has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by the Agent for that purpose.

- 19.3.4 The Agent shall have no liability to the Noteholders for damage caused by the Agent acting in accordance with instructions of the Noteholders given in accordance with Clause 15 (*Decisions by Noteholders*) or a demand by Noteholders given pursuant to Clause 13 (*Acceleration of the Notes*).

- 19.3.5 Any liability towards the Issuer which is incurred by the Agent in acting under, or in relation to, the Finance Documents shall not be subject to set-off against the obligations of the Issuer to the Noteholders under the Finance Documents.

19.4 Replacement of the Agent

- 19.4.1 Subject to Clause 19.4.6, the Agent may resign by giving notice to the Issuer and the Noteholders, in which case the Noteholders shall appoint a successor Agent at a Noteholders' Meeting convened by the retiring Agent or by way of Written Procedure initiated by the retiring Agent.

- 19.4.2 Subject to Clause 19.4.6, if the Agent is Insolvent, the Agent shall be deemed to resign as Agent and the Issuer shall within ten (10) Business Days appoint a successor Agent which shall be an independent financial institution or other reputable company which regularly acts as agent under debt issuances.

- 19.4.3 A Noteholder (or Noteholders) representing at least ten (10) per cent. of the Adjusted Nominal Amount may, by notice to the Issuer (such notice may only be validly given

by a person who is a Noteholder on the Business Day immediately following the day on which the notice is received by the Issuer and shall, if given by several Noteholders, be given by them jointly), require that a Noteholders' Meeting is held for the purpose of dismissing the Agent and appointing a new Agent. The Issuer may, at a Noteholders' Meeting convened by it or by way of Written Procedure initiated by it, propose to the Noteholders that the Agent be dismissed and a new Agent appointed.

- 19.4.4 If the Noteholders have not appointed a successor Agent within ninety (90) days after (i) the earlier of the notice of resignation was given or the resignation otherwise took place or (ii) the Agent was dismissed through a decision by the Noteholders, the Issuer shall appoint a successor Agent which shall be an independent financial institution or other reputable company which regularly acts as agent under debt issuances.
- 19.4.5 The retiring Agent shall, at its own cost, make available to the successor Agent such documents and records and provide such assistance as the successor Agent may reasonably request for the purposes of performing its functions as Agent under the Finance Documents.
- 19.4.6 The Agent's resignation or dismissal shall only take effect upon the appointment of a successor Agent and acceptance by such successor Agent of such appointment and the execution of all necessary documentation to effectively substitute the retiring Agent.
- 19.4.7 Upon the appointment of a successor, the retiring Agent shall be discharged from any further obligation in respect of the Finance Documents but shall remain entitled to the benefit of the Finance Documents and remain liable under the Finance Documents in respect of any action which it took or failed to take whilst acting as Agent. Its successor, the Issuer and each of the Noteholders shall have the same rights and obligations amongst themselves under the Finance Documents as they would have had if such successor had been the original Agent.
- 19.4.8 In the event that there is a change of the Agent in accordance with this Clause 19.4, the Issuer shall execute such documents and take such actions as the new Agent may reasonably require for the purpose of vesting in such new Agent the rights, powers and obligation of the Agent and releasing the retiring Agent from its further obligations under the Finance Documents and the Agency Agreement. Unless the Issuer and the new Agent agrees otherwise, the new Agent shall be entitled to the same fees and the same indemnities as the retiring Agent.

20 Appointment and Replacement of the Issuing Agent

- 20.1 The Issuer appoints the Issuing Agent to manage certain specified tasks under these Terms and Conditions and in accordance with the legislation, rules and regulations applicable to and/or issued by the CSD and relating to the Notes.
- 20.2 The Issuing Agent may retire from its assignment or be dismissed by the Issuer, provided that the Issuer has approved that a commercial bank or securities institution approved by the CSD accedes as new Issuing Agent at the same time as the old Issuing Agent retires or is dismissed. If the Issuing Agent is Insolvent, the Issuer shall immediately appoint a new Issuing Agent, which shall replace the old Issuing Agent as issuing agent in accordance with these Terms and Conditions.

21 No Direct Actions by Noteholders

- 21.1 A Noteholder may not take any steps whatsoever against the Issuer or with respect to the Transaction Security and/or the Capital Injection Guarantee to enforce or recover any amount due or owing to it pursuant to the Finance Documents, or to initiate, support or procure the winding-up, dissolution, liquidation, company reorganisation (*företagsrekonstruktion*) or bankruptcy (*konkurs*) (or its equivalent in any other jurisdiction) of the Issuer in relation to any of the liabilities of the Issuer under the Finance Documents.
- 21.2 Clause 21.1 shall not apply if the Agent has been instructed by the Noteholders in accordance with the Finance Documents to take certain actions but fails for any reason to take, or is unable to take (for any reason other than a failure by a Noteholder to provide documents in accordance with Clause 19.1.2), such actions within a reasonable period of time and such failure or inability is continuing. However, if the failure to take certain actions is caused by the non-payment by the Issuer of any fee or indemnity due to the Agent under the Finance Documents or the Agency Agreement or by any reason described in Clause 19.2.7, such failure must continue for at least forty (40) Business Days after notice pursuant to Clause 19.2.8 before a Noteholder may take any action referred to in Clause 21.1.
- 21.3 The provisions of Clause 21.1 shall not in any way limit an individual Noteholder's right to claim and enforce payments which are due to it under Clause 9.5 (*Mandatory repurchase due to a Change of Control Event*) or other payments which are due by the Issuer to some but not all Noteholders.

22 Prescription

- 22.1 The right to receive repayment of the principal of the Notes shall be prescribed and become void ten (10) years from the Redemption Date. The right to receive payment of interest (excluding any capitalised interest) shall be prescribed and become void three (3) years from the relevant due date for payment. The Issuer is entitled to any funds set aside for payments in respect of which the Noteholders' right to receive payment has been prescribed and has become void.
- 22.2 If a limitation period is duly interrupted in accordance with the Swedish Act on Limitations (*preskriptionslag (1981:130)*), a new limitation period of ten (10) years with respect to the right to receive repayment of the principal of the Notes, and of three (3) years with respect to receive payment of interest (excluding capitalised interest) will commence, in both cases calculated from the date of interruption of the limitation period, as such date is determined pursuant to the provisions of the Swedish Act on Limitations.
