## JM starting production on Kajplats 6 and Kajplats Kvarnholmen in Stockholm

**JM is starting production on 199 apartments in the Kajplats 6 project in Liljeholmskajen and 119 apartments in the Kajplats Kvarnholmen project at Kvarnholmen in Stockholm.**

With 26 floors, Kajplats 6 will be the tallest building in Liljeholmskajen. It will have a restaurant at the top that offers an expansive view over Stockholm. The project will comprise a total of 199 apartments with 2-4 rooms, 91 of which will be in the high rise section. Production start-up will be reported in Q2 2017, with occupancy scheduled to begin in Q3 2019.

Kajplats Kvarnholmen is being constructed along the quay at Kvarnholmen at the entrance to Stockholm's harbor. The first of two phases will comprise 119 apartments with 1-4 rooms, all of which will have a balcony, terrace or roof terrace. Production start-up will be reported in Q2 2017, with occupancy scheduled to begin in Q1 2020.
