

Itrim chooses BizView for reporting, budget/forecast management and business intelligence

One, two, three – Let's go!

Itrim chooses BizView for reporting, budget/forecast management and business intelligence

It is with great pleasure that we can announce that Itrim has chosen BizView as a solution for their performance management. BizView interacts with Itrim's business systems within the processes of budgeting, forecasting, reporting, analysis and consolidation.

About Itrim

Itrim was founded in Sweden in 2003, based upon real-world and scientific evidence that portion controlled healthy eating, combined with exercise and coaching can have fast and lasting results. Driven by her own 66lb weight loss journey, Itrim founder and exercise expert Birgitta Thörn, partnered with business experts and medical professionals to form what is now a world leader in sustainable weight loss.

In 2011, Itrim US was launched and has opened multiple company-owned centers in the San Francisco Bay Area. Most recently Itrim has added custom employee worksite programs, collaborative health care partnerships and turn key health club programs throughout California. Itrim International now operates over 50 centers across [Sweden](#), [Germany](#), [China](#), and the [US](#).
