

Grilstad chooses BizView for Microsoft BI

BizView continues its strong development in the Norwegian market, it is therefore with great pleasure that we can announce that we, together with our strategic partner in the food industry, iStone Dynamics, delivers BizView as part of the concept iFood to Grilstad. Grilstad is one of the leading food companies in meat in the Norwegian market, with a number of branded products that are on the table in most Norwegian homes.

Sales Manager Geir Elvestad at iStone Dynamics Norway pronounce in connection with this agreement that iFood, based on the leading ERP system Dynamics AX, wins more and more market share in the Norwegian market and is now expanding even on the Swedish food market. With BizView, as an integral part of the iFood solution, we can offer the market a solution in absolute world-class with features such as performance reporting, kpi's, dashboards, demand forecasts, traditional budgeting, financial forecasting, ad hoc reporting and analysis provides iFood with unique additional features for customers. Geir Elvestad expect strong growth in the coming years with iFood on the Scandinavian food market.
