

Invitation to Sectra's Capital Markets Day on September 26 —focus on cybersecurity

Linköping, Sweden, September 16, 2019 – International medical imaging IT and cybersecurity company [Sectra](#) (STO: SECT B) will hold a Capital Markets Day on September 26, 2019 in Stockholm, Sweden. The focus will be on Sectra's Secure Communications operating area. The aim is to give investors insight into Sectra's role and growth potential in the increasingly dangerous world of cybersecurity threats. Among the speakers are members of Sectra's management and Pia Gruvö, Head of the Crypto and IT Security Department/Director NCSA at the Swedish Armed Forces.

When: September 26, 2019

Location: GT30, Greve Turegatan 30, Stockholm, Sweden

Registration no later than September 23

Please register at <https://investor.sectra.com/cmd26sep>

Those who have pre-registered do not have to register again. Please note that the number of participants is limited, and that institutional investors, analysts, shareholders and financial media are prioritized participants.

Program and speakers

The program starts with registration and breakfast at 8:15 a.m. and ends at around 1:00 pm. A light lunch will be served during the event. Participants will have the opportunity to mingle with senior management and see demos of Sectra's products for a safer society.

Torbjörn Kronander (CEO and President Sectra AB) and Simo Pykälistö (President of Sectra Secure Communications) will be presenting together with other members of the Secure Communications management team.

Pia Gruvö, Head of the Crypto and IT Security Department/Director NCSA at the Swedish Armed Forces, will speak about encryption and how the Security Protection Act and increasing cyber security threats influence government authorities and companies. Note that this session will be held in Swedish.

The full program is available at <https://investor.sectra.com/cmd26sep>

Interested, but not able to participate? The presentations will be recorded and published on Sectra's website on September 27 at the latest.
