

## Serneke enters cooperation agreement with the Swedish Exhibition & Congress Centre

**Serneke has entered into a cooperation agreement with the Swedish Exhibition & Congress Centre to commence the planning of a development project involving existing properties and extensions connected with the Swedish Exhibition & Congress Centre's facility on Korsvägen in Gothenburg.**

"The Swedish Exhibition & Congress Centre's expansion plan, encompassing the period until 2030, includes extended entrances, flexible spaces for meetings and events, and increased hotel and office capacity in a new, fourth tower," says Carin Kindbom, President & Group CEO of the Swedish Exhibition & Congress Centre.

The agreement that has been signed entails Serneke, moving the development project for the Korsvägen facility forward in selected stages in collaboration with the Swedish Exhibition and Congress Centre.

"It is gratifying that the Swedish Exhibition and Congress Centre has chosen us as its partner for this prestigious project. This shows that our group has an attractive offering covering the entire process," says Ola Serneke, President and CEO of the Serneke Group.

"We look forward to working with Serneke to develop our unique facility to create the best overall experience for our visitors," says Joachim Hult, VP Real Estate, Swedish Exhibition and Congress Centre.

"It is inspiring to be involved with developing Gothenburg's most important hub for the tourism and congress sectors. We now look forward to the challenge ahead of us," says Davor Sinik, Regional Manager, Special Projects, Serneke Construction.

The cooperation is to commence immediately.
