

Enersize IPO completed, first day of trading a success

Cleantech Invest's portfolio company Enersize completed its IPO and had a successful first day of trading at First North Stockholm on Thursday, the 15th of June. Trading volume was 3 317 501 shares traded and the share closed at 8.55 SEK (0.88€), 24% up from the IPO price.

Enersize market cap, counting all shares in the company, at the end of the trading day was 25.6 MEUR. Cleantech Invest owns 36.6% of Enersize.

Cleantech Invest CEO Alexander Lidgren:

"We are very happy having completed such a successful IPO with Enersize. This is what Cleantech Invest has communicated it will do and we have more companies in the pipeline. Having said that, this is just the beginning - Enersize is an important part of our portfolio. We will continue to accelerate the company and help it achieve its massive growth opportunities ahead."
