Loudspring portfolio company Enersize signs revenue sharing agreement with Beijing Foton Cummins

Enersize has signed a four-year revenue sharing agreement with Chinese diesel engine manufacturer Beijing Foton Cummins. The plant uses between 7,000-8,000 MWh / year, the savings are estimated to be 20-30% of which Enersizes part of the total savings are estimated at approximately 50%. Loudspring owns 35.6% of Enersize.

Loudspring CEO Alexander Lidgren comments: "When a customer decides to convert an installation contract into a revenue sharing contracts it means that Enersize has clearly shown that savings can be made. This type of deal is gratifying to see and again shows that Enersize is moving customers forward from interest to installations to revenue sharing."
